Dear NOK

On behalf of SightLife, I would like to extend our sincere condolences on the recent loss of your RELATION, NAME. Your ability to set aside your grief and think of others in need of a corneal transplant is truly courageous.

I respect your thoughtfulness and consideration of others during such a difficult time for you and your family. Due to unforeseen medical circumstances, the corneas were not recovered. While this news may bring disappointment, please keep in mind that your demonstrated compassion for others amidst your sorrow is something of which you can be proud. Your generous consideration of corneal donation is greatly appreciated.

Again, thank you for your willingness to assist others. If I can be of service to you now, or in the future, please contact me at (206) 682-8500 or toll-free at 1-800-847-5786.

With warm regards,

*Lois Parker
