Dear (Donor Family Name),

On behalf of SightLife, I would like to extend our sincere condolences on the recent loss of your (relationship, the donor's first name only). Your ability to set aside your grief and think of others in need of a corneal transplant is truly courageous. By choosing to become a donor family, you have given someone the precious Gift of Sight.

You have made a difference by honoring (first name of donor with 's) wishes to help others. I hope you will find some comfort and peace in knowing that the person who have been given (his/her) precious gift is grateful for their renewed vision.

If I can be of service to you now or in the future, please contact me at (206) 682-8500 or toll-free at 1-800-847-5786.

With warm regards,

*Lois Parker
