Re: At Large Board Letter of Recommendation

This letter is to serve as a recommendation for Mr. Brian Phillippy who is seeking one of the At-Large positions on the EBAA's Board of Directors.

I had the pleasure of working with Brian while at Vision Share. As Director of Operations, he exemplified what it meant to be dedicated, passionate, and professional in our industry. His ability to work with over 20 eye banks within the network, bring them all together in order to improve processes, and ensure that our mission to share the gift of sight was fulfilled was truly impressive.

Brian's impressive background in eye banking spans over 20 years. Not only has Brian worked in all aspects of eye banking (Lab, Procurement, Distribution, Operations) he has also maintained an active role in different EBAA's committees. Serving on different committees for over 12 years within the EBAA has made Brian a subject matter expert in our field. One of the things that I have always admired about Brian is his ability and unselfish nature of sharing his knowledge with his fellow colleagues.

I strongly believe that Brian would be a valuable asset to the EBAA's Board of Directors.

Sincerely,

Liliana Barrios  
Director of Marketing
