RE: Marcy Dimond letter of support for EBAA BOD

Dear Molly,

I am writing this letter in strong support of Marcy Dimond's candidacy for a seat on the Board of Directors of the Eye Bank Association of America. While I have only recently gotten to know Marcy well during a site inspection, I have observed her participation in our EBAA meetings, and through both of these, I believe that I can attest to her being a strong non-polarizing individual who will be able to fairly represent all members. She has a talent for successfully navigating conflict and bringing people together. Though she represents a mid- to large size eye bank, that eye bank grew from a small eye bank, and thus she understands deeply the challenges facing smaller programs. She has spent the last 2 years consulting with multiple small and medium programs to help them improve efficiency, quality, and safety for recipients. I have no doubt that regardless of the marketplace, Marcy's commitment is ultimately to the donors and recipients. With this spirit, I believe that Marcy will be a strong and fair voice for the EBAA members.

Thank you for your consideration.

Sincerely,

Bennie H. Jeng, M.D.
Associate Medical Director, SightLife
