

ACCREDITATION INSPECTION CONFIDENTIALITY AGREEMENT

This agreement is made between EBAA and _____ (Inspected Bank), and shall be effective on _____.

Because the Inspected Bank wishes to be accredited by EBAA, and because EBAA's accreditation inspections are performed by volunteers who serve as EBAA's agents (Inspectors) but are affiliated with eye banks other than the Inspected Bank, and because the accreditation inspection includes the disclosure of intellectual property that could convey a competitive advantage to the Inspector or his/her eye bank, therefore:

- EBAA shall require all Inspectors to sign and adhere to the attached pledge prior to beginning any accreditation inspection
- The Inspected Bank will provide all requested information and materials in a timely manner, and will grant Inspectors access to all areas of its facility needed to conduct a thorough and fair accreditation inspection
- The Inspected Bank may choose to deny Inspectors access to specific information or facilities; any products or services for which inspection is refused will be considered unaccredited by EBAA. Unaccredited status must be clearly communicated by the Inspected Bank to any individuals or entities that use these products or services
- The Inspected Bank will notify EBAA if it believes an Inspector has breached this agreement, so it can initiate an investigation, which could lead to the Inspector's removal from the Accreditation Board and to disciplinary action upon the Inspector's eye bank.
