To whom it may concern:

This is in support of Megan Young's nomination to the Eye Bank Association of America Board of Directors. Megan is considerate, highly organized and committed to helping to restore sight to those in need through eye donation and cornea transplants. Each contribution she has offered to the EBAA has been as an active participant. She is acutely aware of the challenges facing the association and is well-prepared to fulfill the responsibilities as a member of the Board of Directors.

I am pleased to support her nomination as a Board member.

Respectfully,

Patricia Dahl
Executive Director/CEO
