

**CRITERIA FOR
CERTIFICATION AND RECERTIFICATION
OF EYE BANK TECHNICIANS**

December 2019

MISSION STATEMENT

The EBAA champions the restoration of sight through core services to its members which advance donation, transplantation and research in their communities and throughout the world.

ABOUT THE EYE BANK ASSOCIATION OF AMERICA

The EBAA is committed to promoting and protecting the uniqueness of eye banking through...

QUALITY: Serving its membership by promoting tissue safety, setting medical standards, promoting effective business practices, and providing professional development that advance our mission.

COLLABORATION: Supporting an environment where members work together to solve common challenges by sharing and helping each other meet the needs of the communities we serve.

INNOVATION: Communicating with governmental agencies, corporate entities and stakeholders through innovative and forward-thinking exploration to advance the restoration of sight.

SERVICE: Honoring its members through recognition and respect for the services they provide.

Criteria for Certification and Recertification of Eye Bank Technicians

Purpose of Certification

The Eye Bank Association of America (EBAA) offers the opportunity to attain Certified Eye Bank Technician (CEBT) status through an electronic examination administered by an outside educational testing agency. Certified Eye Bank Technician (CEBT) status is awarded to technicians who meet eligibility criteria and demonstrate proficiency in the recovery of corneoscleral rims, which has been witnessed and verified by the candidate's Medical Director and Technical Trainer, (See Practical Performance Competency Verification Form: Appendix A) and an electronic examination.

Criteria for Certification

The EBAA offers the opportunity to attain CEBT status through an electronic examination. In addition to the exam, a candidate for eye bank technician certification must successfully demonstrate proficiency in the recovery of corneoscleral rims, which has been witnessed and verified by the candidate's Medical Director and Technical Trainer (see **Practical Performance Competency Verification Form: Appendix A**).

Criteria for the certification and recertification of technicians will be periodically reviewed and updated by the EBAA Certification Board. Responsibility for maintaining certification rests solely with the CEBT.

Administration and Sponsorship

The certification program for the Eye Bank Technicians is sponsored independently by the Certification Board of the EBAA. A list of members of the Certification Board can be obtained from the member section of the EBAA's website.

The Certified Eye Bank Technician Examination is administered by the Professional Testing Corporation (PTC), 1350 Broadway- 17th Floor, New York, NY 10018, (212) 356-0660, www.ptcny.com. Questions concerning the operation or scoring of the examination should be referred to PTC.

The examination is currently administered twice a year during an established two-week testing period on a daily basis, Monday through Saturday (excluding holidays) at computer-based testing facilities managed by Prometric. This is subject to change; changes are posted on the EBAA website (www.restorestight.org). Prometric has several hundred testing sites in the United States and worldwide. Scheduling is offered on a first-come, firstserve basis. Please note: Hours and days of availability vary at different centers. You will not be able to schedule your examination appointment until you have received an Eligibility Notice from the Professional Testing Corporation.

Eligibility to Sit for the Exam

An applicant for eye bank technician certification must meet the following criteria:

1. Possess at least a minimum of a:
 - A. Baccalaureate Degree AND a minimum of 6 months of experience within the past two years in a transplant organization with active involvement in the procurement and processing of organs, tissues and/or eyes and be recommended by the Executive Director and a physician who meets the requirement of an "Eye Bank Medical Director," as defined in C1.200 of the Medical Standards.

OR

 - B. High school degree, or GED, and a minimum of 12 months of experience within the past two years in a transplant organization with active involvement in the procurement and processing of organs, tissues and/or eyes and be recommended by the Executive Director and a physician who meets the requirement of an "Eye Bank Medical Director," as defined in C1.200 of the Medical Standards.
2. Submit a copy of a valid diploma or transcripts and a completed "Practical Performance Competency Verification" form signed by a technician trainer and a physician who is currently active as, and meets the requirements of, an "Eye Bank Medical Director" as defined in C1.200 of the Medical Standards.

Examination Application Process

An applicant should read the application form carefully and complete it fully. In addition to the regular application fee, applicants may be charged a processing fee for submitting incomplete applications. It is the applicant's responsibility to ensure that the application, all required documentation and fees are submitted by the required date. An applicant will be admitted to the exam only with proper identification (a valid picture identification). If an applicant does not receive acknowledgment that the EBAA has received his or her application, it is the sole responsibility of the applicant to contact the EBAA office for confirmation of verification. *Applicants should not assume they are registered unless they have received written confirmation from the EBAA.*

Within eleven weeks prior to the first day of the testing period, you will be emailed a Scheduling Authorization from notices@ptcny.com. Please ensure you enter your correct email address on your application and add the 'ptcny.com' domain to your email safe list. If you do not receive a Scheduling Authorization at least six weeks before the beginning of the testing period, contact the Professional Testing Corporation at (212) 356-0660 or at www.ptcny.com/contact.

The Scheduling Authorization will indicate how to schedule your examination appointment with Prometric as well as the dates during which testing is available. Appointment times are first-come, first-serve, so schedule your appointment as soon as you receive your Scheduling Authorization in order to maximize your chance of testing at your preferred location and on your preferred date. Candidates who wait until the last minute run the risk of missing out on their preferred date, time, and testing center.

After you make your test appointment, Prometric will send you a confirmation email with the date, time, and location of your exam. Please check this confirmation carefully for the correct date, time, and location. Contact Prometric at (800) 741-0934 if you do not receive this email confirmation or if there is a mistake with your appointment.

Note: International candidates may also schedule, reschedule, or cancel an appointment online at

www.prometric.com.

IMPORTANT! You MUST present your current driver's license, passport or U.S. military ID at the test center. Expired, temporary, or paper driver's licenses will NOT be accepted. The name on your Scheduling Authorization MUST exactly match the name on your photo ID.

Examination of Candidates with Special Needs

Special testing arrangements will be made for individuals with special needs. Submit the application, examination fee, and attach a written request for special accommodations. This form can be obtained from PTC's website at www.ptcny.com/PDF/PTC_SpecialAccommodationRequestForm.pdf or calling PTC at (212) 356-0660. Requests for special testing for individuals with special needs must be received at least EIGHT (8) weeks prior to testing date.

Scheduling Examination Appointment Process

- EBAA Office reviews candidate's application.
- Once approved, the EBAA will send written notification to the candidate.
- Candidate will submit payment to EBAA.
- EBAA submits the candidate's information to PTC.
- Candidate submits online application to PTC.
- PTC will send an eligibility notice to the candidate.
- Candidate should contact a testing center of his/her choice to obtain a date/time to sit for the examination.

Preparing for the Examination

- Check your government issued photo ID (driver's license, passport or U.S. Military ID) when you make your examination appointment. Is it expired? Does the name on your ID match the name on your Scheduling Authorization email? Proctors at the Prometric testing center will refuse admission to candidates with expired IDs, IDs with names that do not match their records, and temporary paper IDs. Candidates will be marked as no-shows and will forfeit their exam fees.
- Check your PTC Scheduling Authorization email and Appointment Confirmation email from Prometric to make sure everything is accurate (i.e. your name, exam name, appointment date, time and location).
- Make yourself familiar with the location of your chosen testing site and any requirements they may have for parking and check the weather and traffic conditions before you leave for the testing center. Make sure you give yourself plenty of time to arrive as late arrival may prevent you from testing.
- In the event of inclement weather, check the Prometric website for site closures:
<https://www.prometric.com/closures>.
- Prometric's website provides information on what you can expect on your test day, including a walkthrough of check in and security procedures: www.prometric.com.
- This Handbook provides the Content Outline for the Examination (see appendix). Use these to help you start studying for the examination.
- Review the What to Expect at the Test Center and the Rules for the Examination on the next pages before your appointment.

Changing Your Examination Appointment

Candidates are able to reschedule their examination appointments within the same testing period as long as the request is submitted within the timeframe described below. Reschedule within the permitted time frame by calling or going to www.prometric.com or by calling 800-741-0934.

Time Frame	Reschedule Permitted?	Stipulations
Requests submitted 30 days or more before the original appointment	Yes	None
Requests submitted 29 to 5 days before the original appointment	Yes	Candidate must pay Prometric a rescheduling fee of \$50.
Requests submitted less than 5 days before the original appointment	No	Candidates who do not arrive to test for their appointment will be considered a no-show and all their examinations fees will be forfeited. Candidates will need to reapply and pay fees for a future testing period.

What to Expect at the Testing Center

Rules for the Examination

Please read the information below carefully. You are responsible for adhering to the examination rules while at the testing center.

- You must present your current driver's license, passport, or US Military ID at the testing center. Candidates without valid ID will NOT be permitted to test. Temporary or paper copies of your ID will not be accepted.
- No Electronic devices that can be used to record, transmit, receive, or play back audio, photographic, text, or video content, including but not limited to, cell phones, laptop computers, tablets, Bluetooth devices; wearable technology (such as smart watches), MP3 players (such as iPods), pagers, cameras, and voice recorders are permitted to be used and cannot be taken in the examination room. Prometric provides lockers for your personal items.
- No papers, books, or reference materials may be taken into or removed from the testing room.
- No questions concerning content of the examination may be asked during the examination session. The candidate should read carefully the directions that are provided on screen at the beginning of the examination session.
- Candidates are prohibited from leaving the testing room while their examination is in session, with the sole exception of going to the restroom.
- Bulky clothing, such as sweatshirts (hoodies), jackets, coats, and hats (except hats worn for religious reasons), and most types of jewelry may not be worn while taking the examination. Proctors will ask you to remove such items and place them in your locker. Please see [Prometric's statement on Test Center Security](#) for more information.
- All watches and "Fitbit" type devices cannot be worn during the examination.
- No food/beverages are permitted inside the testing room. Leave these items in your assigned locker.

Contact PTC at (212) 356-0660 or www.ptcny.com/contact with any questions about the Examination Rules.

VIOLATION OF ANY OF THE RULES LISTED ABOVE MAY LEAD TO FORFEITURE OF FEES, DISMISSAL FROM THE TESTING ROOM, AND CANCELLATION OF YOUR TEST SCORES.

Grading and Reporting of Scores

The electronic exam will be scored by the PTC and the results are forwarded to the EBAA. Scores are strictly confidential and the EBAA will report them *only* to the applicant unless the applicant approves of notice to others in writing. EBAA will first report the scores to the candidate via email as soon as the results are received by the office. A separate notice will be sent to the candidate with the breakdown of the scores. An email will be sent to the eye bank Executive Director notifying them that the candidate received their scores.

A list of EBAA-certified eye bank technicians is published periodically by the EBAA.

The EBAA ensures the validity of the scores it reports. If questions arise about an individual's score, the EBAA appreciates the cooperation of all parties concerned in any EBAA review or investigation. The EBAA's Certification Board reserves the right to cancel any examination score if the available evidence demonstrates that there is adequate reason to question its validity.

The Certification Board, at its discretion, may: (1) offer the individual an opportunity to take the examination again at no additional fee; (2) offer the individual an opportunity to take the examination again, including payment of all fees; or (3) conduct a review, as outlined under the "Appeals" section of these procedures.

Failure to Pass Electronic Examination

Attendance at an EBAA Technician Education Seminar (TES) is NOT required to sit for the exam; but it is strongly recommended. Failure to pass the written exam will require the applicant to complete the following steps in order to be certified:

1. Submit a new and complete application with fees.
2. Retake and successfully pass the examination.

Candidates who do not attain a satisfactory score on the certification examination may request a manual scoring of the exam. The request must be addressed to the Certification Board Chairperson, with a copy to the EBAA CEO/President, within **thirty (30)** calendar days of receiving the exam results. The results of the manual scoring are considered final.

Revocation or Suspension of Certification

The Certification Board reserves the right to revoke or suspend certification, if in its judgment, based on the available information, a candidate who received a certificate has not adequately met requirements for certification as set forth by the EBAA. Certificates may be revoked or suspended for problems and/or deficiencies not limited to but including the following reasons:

1. Failure to maintain recertification or lack of adequate number of CEUs.
2. Falsification or inadequacy of examination application.
3. Failure to pay required fees.
4. Unprofessional conduct.

EBAA EXAM CONTENT OUTLINE

I. ANATOMY AND PHYSIOLOGY (12%)

- A. Ocular
 - i. General Characteristics
 - 1. Anatomy of the eye
 - 2. Function
 - 3. Conditions of the eye
 - ii. Refractive Power of the Eye
 - 1. Refractive Properties
 - 2. Refractive Errors
 - iii. Accommodation
 - iv. Other
- B. Cornea
 - i. General Characteristics
 - ii. Corneal Layers:
 - 1. Epithelium
 - 2. Bowman's Membrane
 - 3. Stroma
 - 4. Descemet Membrane
 - 5. Endothelium
 - iii. Metabolic Functions
 - iv. State of Hydration
 - v. Factors Affecting Transparency
 - 1. Rejection
 - 2. Edema
 - 3. Other

II. QUALITY ASSURANCE AND CONTROL (24%)

- A. Professional Standards
 - i. Accreditation
 - ii. Certification
 - iii. Personnel
 - iv. Reporting Requirements
- B. Legislation and Regulatory Requirements
 - i. FDA Registration
 - ii. FDA Donor Eligibility Rule
 - iii. FDA Good Tissue Practices
 - iv. FDA Guidance for Industry
 - v. CMS Conditions of Participation (CoP)
- C. Facilities
 - i. Instrument Inspection, Cleaning, and Handling
 - ii. Refrigeration and Temperature Recording
 - iii. Sterilization Methods
 - iv. Other
- D. Infection Control and Personnel Safety
 - i. Aseptic Technique
 - ii. Standard Precautions
 - iii. Communicable Diseases

 - ii. Labeling
 - 1. ISBT 128
 - iii. Packaging
 - iv. Accompanying Documentation Requirements
 - v. Distribution of Tissue
 - vi. Other
- D. Use of Tissue in Research and Education

RECERTIFICATION PROCESS

Requirements

It is the responsibility of each CEBT to ensure that his/her certification does not lapse.

To obtain recertification, an individual must complete the following:

- 1. Obtain 16 Continuing Education Credits, which must include at least confirmed attendance from two of the following courses:**
 - a. EBAA Technician Skills Workshop;**
 - b. EBAA Medical Advisory Board Meeting;**
 - c. EBAA Medical Directors Symposium; and/or**
 - d. EBAA Scientific Session every three years (this includes the Scientific Symposium at the Annual Meeting or the Cornea and Eye Banking Forum)**

Please note: The EBAA office no longer mails CEU Certificates or Certificates of Attendance following an EBAA meeting.

CEBTs may still submit CEU requests to the EBAA for non-EBAA meetings for approval.

- 2. Submit a completed Recertification Application postmarked by December 31st of the year certification expires.**
- 3. Include required recertification fees (see Table II).**

No late or incomplete applications will be accepted by the EBAA office. Checks or money orders should be made payable to the EBAA. Fees may be paid with a credit card.

Expiration of Recertification:

If certification expires, recertification may only be attained by re-taking the CEBT examination.

CEU Verification Process: To meet CEU requirements, a candidate may refer to the approved list for available options (See Table I); may attend EBAA courses offered at EBAA meetings; or may identify independent work or educational opportunities relevant to technician certification and apply for approval to the EBAA office.

1) EBAA Annual Meetings, Conferences and Workshops

To receive CEU credit for EBAA Meetings, an attendee must ensure they are scanned in and out (if necessary) of all of the educational sessions.

2) EBAA Webinars

To receive CEU credit for EBAA webinars, an attendee must submit the “EBAA CEU Request Form,” which must be signed and submitted by the eye bank’s Executive Director. This form must then be sent to the EBAA office within **sixty (60)** calendar days following the close of the teleconference.

3) Individual CEU Requests

a. Request for pre-approval

To request approval of a scheduled future course or program [**sixty (60)** calendar days prior is suggested], an applicant must submit copies of the following items, including a CEU request form, to the EBAA office. **Note:** verbal approval of any request does not satisfy the following requirements:

1. A copy of the course outline and/or program.
2. Speaker qualifications and background information; for example, area

and site of practice; job title; area of expertise; qualifications to teach the course.

A copy of the final course outline and/or program and verification of attendance must be received by the EBAA office within **sixty (60)** calendar days of date of attendance.

An approval letter will be sent to the applicant within **sixty (60)** calendar days of receipt of all information.

b. Request for CEUs for courses not pre-approved by the EBAA

To request approval of a course or program not pre-approved by the EBAA, an applicant must do the following:

1. Complete a CEU request form (<https://restoresight.org/individual-ceu-request-form/>) no later than **sixty (60)** calendar days after attending the course or program.
2. Attach a copy of the final course outline and/or program; designate the actual time spent in class.
3. Include verification of attendance, for example, a certificate of attendance and/or a copy of the attendance roster that confirms attendance.

Verification of approval of the CEUs will be sent to the applicant within **sixty (60)** calendar days of receipt of all information.

APPEALS:

The Certification Board, in consultation with the EBAA President/CEO, will manage technician recertification appeals. The process is as follows:

1. Appeals must be sent to the Chair of the Certification Board in writing, with a copy to the EBAA President/CEO.
2. The appellant must include all relevant information in appeal for review by the Certification Board Chair and the EBAA President/CEO.
3. A review committee will conduct an initial review verifying the merit of the appeal.
4. If the review committee (i.e., CEU Chair; EBAA President and Certification Board Liaison) finds merit in the appeal, the Certification Board Chair will announce a decision on the appeal within **sixty (60)** calendar days and respond to the appellant in writing.

Please Note: If a candidate for CEUs wishes to appeal a CEU decision only, he/she may submit a written appeal to the Chair of the Continuing Education Committee, with copies to the EBAA office. Following review and within **sixty (60)** calendar days, the Chair of the Continuing Education Committee will announce a decision on the appeal and respond to the appellant in writing.

TABLE I

CEUs Can Be Earned By:	CEUs awarded by:
<ul style="list-style-type: none"> ● Attendance at meetings held by the Eye Bank Association of America, including EBAA Annual Meetings and Scientific Symposiums. 	Scanning into sessions during EBAA meetings.
<ul style="list-style-type: none"> ● Attendance during EBAA Education Institute Sessions. 	Submitting the webinar signature sheet signed by the Executive Director.
<ul style="list-style-type: none"> ● Attendance at programs or courses that relate directly to EBAA Medical Standards issues such as donor screening, infection control, and procurement procedures. The lectures specifically related to these issues must be given by EBAA Certified Eye Bank Technicians or physicians with current service or who served within the past two years on the Medical Advisory Board and/or EBAA Medical Directors. As well as, recognized experts in selected disciplines. 	<p>Submitting the meeting program, or schedule and a proof of attendance with the Continuing Education Request Form within 60 days of attending the course. Time for topics (sessions, lectures) must be included.</p> <p>Approval will be sent to applicant. For recertification purposes, the CEBT shall submit proof of attendance with their recertification application.</p>
<ul style="list-style-type: none"> ● Ophthalmology lectures that have direct application to Medical Standards. 	Submitting the Continuing Education Request Form, proof of attendance, schedule, the lecturer's name, and academic title within 60 days.
<ul style="list-style-type: none"> ● Publication of a journal article, chapter, or similar scholarly work of which you are the primary author. 	Submit publication.
<ul style="list-style-type: none"> ● Courses on general issues related to organ and tissue transplantation, workshops dealing with consent, hospital development, general ophthalmology lectures, etc. 	Submitting the meeting program, outline or schedule and a proof of attendance with the Continuing Education Request Form within 60 days. Time for topics (sessions, lectures) must be included.
<ul style="list-style-type: none"> ● Taking academic courses in chemistry, biology, human anatomy, human physiology, epidemiology, and immunology offered by an accredited institution at the rate of one CEU per hour of class time. 	Submitting an explanation of how the course or literature is applicable to the practice of eye banking with a Continuing Education Request Form.
<ul style="list-style-type: none"> ● Self-study using audio or videotapes, self-study courses, or by reading journal articles or books. 	¼ CEU may be awarded for each self-study submission, with Continuing Education approval. A total of 1 CEU or 4 approved submissions may be granted in a recertification cycle from this category. A summary of each item must be included.
<ul style="list-style-type: none"> ● Active participation on other designated EBAA medically-related committees, i.e., Accreditation, Technician, and Medical Advisory Committees 	Submitting verification of attendance and participation from the committee chair, i.e., committee meeting minutes.

* This information is subject to change. For information, call the EBAA office at (202) 775-4999

Practical Performance Competency Verification

Part 1: General Information and Instructions

1. This form must be completed by a technician trainer, as well as a physician who meets the requirements of an Eye Bank Medical Director, as outlined in Section C1.200 of the EBAA Medical Standards.
2. Once completed and signed, this form serves as both a written recommendation from a Technician Trainer and Medical Director and a verification of practical performance competency as outlined in **EBAA's *Criteria for Certification of Eye Bank Technicians***—specifically, *Eligibility to Sit for Exam*.
3. This completed form is a requirement to sit for the Certified Eye Bank Technician (CEBT) certification exam and must accompany the technician's exam application.

Part 2: Medical Director and Technician Trainer Observation

Practical Performance Competency Verification

Select the procedure observe Laboratory Excision In Situ Excision

Note: Any fields that do not apply to the process performed can be skipped but please mark with “N/A” for not applicable. For example if observing the Laboratory Excision, Step #2 will not require initials but should include “N/A”. The references in parentheses refer to related sections of the EBAA Procedures Manual.

A. Aseptic Technique	MD Initials	Trainer Initials
1. The technician was appropriately dressed wearing moisture impermeable clothing with sterile sleeves/sterile impermeable gown, cap, mask and protective eyewear. (E1.110 & E1.221)		
2. Penlight Exam Performed (In Situ Excision Only) (E1.110)		
3. The sterile instruments were appropriately wrapped. (E1.110)		
4. The unwrapping of the sterile instrumentation kit was performed without compromising the sterile instruments or sterile field. (E1.110, E1.130 & E1.221)		
5. Non-sterile items were placed in areas that did not allow the sterile field to be compromised. (E1.110 & E1.221)		
6. The technician successfully demonstrated a 3-5-minute scrub utilizing aseptic technique. (E1.110 & E1.221)		
7. The technician successfully demonstrated proper sterile gloving technique. (E1.110)		
8. The technician applied a sterile drape or sterile towel to the head without compromising the sterile field or reaching over the sterile field. (E1.130) (In Situ Excision Only)		

9. The technician successfully transferred the eye from the eye jar to the sterile field without compromising the sterile field or reaching over the sterile field during the transfer. (EI.221) (Laboratory Excision Only)		
---	--	--

A. Aseptic Technique (Continued)

MD Initials **Trainer Initials**

10. The technician irrigated and/or soaked the whole eye (EI.221) OR decontaminated the cornea and conjunctiva with povidone-iodine solution. (EI.130		
11. All sterile and non-sterile instruments were appropriately placed throughout the entire procedure. The sterile field was never compromised. (EI.130 & EI.221)		
12. The technician used separate instruments for the removal of the conjunctiva and the incision through the sclera. (EI.130 & EI.221)		
13. The corneoscleral disc was carefully and gently transferred to the vial or viewing chamber containing the preservation medium without compromising sterility. (EI.130 & EI.221)		

MD Initials **Trainer Initials**

B. Surgical Technique

1. The technician successfully removed the conjunctiva by carefully scraping the exposed sclera. (EI.130 & EI.221)		
2. The incision through the sclera with the scalpel and/ or trephine did not penetrate or break the choroid. (EI.130 & EI.221)		
3. The scissors were appropriately inserted throughout the entire excision in the suprachoroidal space. (EI.130 & EI.221)		
4. The technician maintained a corneoscleral disc between 2-4 mm from the limbus. (EI.130 & EI.221)		
5. During the excision, no significant vitreous leakage occurred. (EI.130 & EI.221)		
6. The anterior chamber was maintained and not compromised throughout the entire excision. (EI.130 & EI.221)		
7. The ciliary body separation was performed gently by removing the ciliary attachments and not pulling on the corneoscleral disc. (EI.130 & EI.221)		
8. The corneoscleral disc was gently separated from the choroid without excessive twisting or bending of the cornea. (EI.130 & EI.221)		
9. After the procedure, the technician determined the lens status. (EI.130 & EI.221)		
10. The technician followed the established procedure as written in the eye bank's policy and procedure manual. (EI.130 & EI.221)		

Comments by Medical Director

Comments by Technician Trainer

Medical Director's Recommendation

I meet the requirements outlined in item 1 above and currently serve as Medical Director for the eye bank listed. On _____ (date), I observed the above technician performing a corneoscleral disc excision on a human donor eye and have verified, with my initials, that he/she performed competently in each area. Based on my direct observation, I recommend that this technician be allowed to sit for the EBAA CEBT exam. **MD Initials:** _____
