

GEORGIA EYE BANK, INC.

March 31, 2022

Dear Colleagues,

I am pleased to write a letter of support for our current Board Secretary/Treasurer, Elizabeth Fout. Elizabeth is seeking another term to serve the Eye Bank Association of America as its Secretary/Treasurer.

For the past two years, I have had the honor of serving on the Board of Directors. While I've known Elizabeth for many years, I've gotten to know and work with her much more during my time on the Board. Elizabeth is an extremely knowledgeable, dedicated, and committed eye banker. She cares deeply for our profession and has contributed greatly to eye banking and the EBAA.

Our association deserves to have people like Elizabeth on its Board. She has tremendous leadership skills and is a person of impeccable integrity. I am thrilled that Elizabeth desires to remain our Board's Secretary and Treasurer. If you don't know Elizabeth, she is the Executive Director of the Florida Lions Eye Bank (FLEB) at Bascom Palmer Eye Institute. She has been FLEB's Executive Director since 2005.

I asked Elizabeth if I could write a letter of support for her because I feel strongly that we need to keep her on our Board. It's important to welcome new faces and ideas to positions of leadership. It's also critically important to recognize those that have served us well and continue to benefit from their wisdom and experience.

A vote for Elizabeth as EBAA's Board Secretary/Treasurer is a very smart choice.

Respectfully,

Eric Meinecke, CEBT
