To Whom It May Concern:

I am writing to express my strong support for Brian Philippy as a candidate for the EBAA Board of Directors. I have known Brian for many years and have always been impressed with his honesty, integrity and absolute dedication to the field of eye banking.

Brian has demonstrated his commitment to eye banking and the EBAA through his years of service on the Board of Directors and EBAA committees, including the Accreditation Board, Medical Advisory Board, Statistical Committee and countless others. Brian has also shared his knowledge and expertise through numerous presentations at EBAA meetings.

Brian has been in eye banking for more than 20 years and has been a CEBT since 2003. He currently serves the Lions Medical Eye Bank and Research Center of Eastern Virginia as Director of Transplant and Research, and has previously served as Director of Quality Assurance and Technical Operations. Brian's diverse experience in his eye bank will serve him well on the Board of Directors.

In closing, I believe that Brian possesses all of the experience, skills and personal qualities to serve the EBAA on the Board of Directors and I recommend him wholeheartedly.

Sincerely,

Beth Binnion, CEBT
