To Whom It May Concern:

Please accept this letter as a recommendation for Elizabeth to serve as a candidate for EBAA Board of Directors. Elizabeth has over 20 years of experience in eye banking along with a passion for innovative solutions in non-profit eye banking.

Liz has always been open and sharing and has been willing to share best practices. She, along with Florida Lions Eye Bank, were instrumental in sharing and helping us start our glycerol program over 12 years ago. She has always been willing to help.

I feel Liz would be an excellent addition to EBAA Board of Directors to help lead EBAA to create options that are best for the industry while maintaining the altruism of eye banking.

In summary, Liz possesses all the experience, skills, mindset and knowledge to serve on the EBAA Board of Directors and please accept this letter as a recommendation without reservation.

Sincerely,

Alan S. Blake, CEBT, CTBS
