Dear Mr. Corcoran:

It is with great pleasure that Dakota Lions Sight & Health supports Brian Philippy as a candidate for the At-Large Director position of the EBAA Board of Directors.

Brian has an impressive background of work dedicated to advancing the profession and science of eye banking. He also has the experience, the knowledge, & political awareness to help advance the EBAA. The challenging environment calls for someone who is not afraid to have a voice.

I believe Brian will make an outstanding board member.

Respectfully,

Marcy Dimond
Chief Executive Officer
