To whom it may concern:

It is my pleasure to support Brian Philippy in his endeavor to serve as Chair-Elect on the EBAA Board of Directors. I believe Brian has the experience, knowledge, and people skills to be an effective leader, as shown by his service on numerous committees.

Brian is always willing to help and takes the time to ensure that his advice has been clearly understood when our eye bank has relied upon his expertise. We have benefited greatly from his experience and knowledge over the years, and I believe other eye banks will benefit, as well.

Sincerely,
