To whom it may concern,

This letter of recommendation is written in full support of Brian Philippy for consideration of his serving as the Chair-Elect of the EBBA Board of Directors. He is currently an "At-Large" board member and has one of the most professional and effective managers and leaders of our local eye bank, the Lions Medical Eye Bank & Research Center of Eastern Virginia. Brian stands out do to his accurate organizational skills, calm temperament, and his vast knowledge of issues pertaining to eye banking. His amazing professional record and experience speaks for itself and doesn't need any additional comment. I cannot think of anyone to whom I could give a higher recommendation for the position.

Sincerely,

Mark A. Pavilack, MD

Asst. Medical Director
