Criteria for Certification of Eye Bank Technicians

Criteria for Certification

The Eye Bank Association of America (EBAA) offers the opportunity to attain Certified Eye Bank Technician (CEBT) status through an electronic examination administered by an outside educational testing agency. Certified Eye Bank Technician (CEBT) status is awarded to technicians who meet eligibility criteria and demonstrate proficiency in the recovery of corneoscleral discs, which has been witnessed and verified by the candidate's Medical Director and Technical Trainer (See Practical Performance Competency Verification Form: Appendix A), and an electronic examination.

Criteria for the certification and recertification of technicians will be periodically reviewed and updated by the EBAA Certification Board. Responsibility for maintaining certification rests solely with the CEBT.

Eligibility to Sit for the Exam

An applicant for eye bank technician certification must meet the following criteria:

1. Possess at least a minimum of a:
 - A. Baccalaureate Degree AND a minimum of six (6) months of experience within the past two (2) years in a transplant organization with active involvement in the procurement and processing of eyes, tissues and/or organs, and be recommended by the Executive Director and a physician who meets the requirement of an "Eye Bank Medical Director," as defined in CI.200 of the Medical Standards.

OR

 - B. High school degree or GED, AND a minimum of twelve (12) months of experience within the past two (2) years in a transplant organization with active involvement in the procurement and processing eyes, tissues and/or organs, and be recommended by the Executive Director, and a physician who meets the requirement of an "Eye Bank Medical Director," as defined in CI.200 of the Medical Standards.
2. Submit a copy of a valid diploma, a completed "Practical Performance Competency Verification" form, and a written recommendation signed by a technician trainer, and a physician who is currently active as, and meets the requirements of an "Eye Bank Medical Director" as defined in CI.200 of the Medical Standards.

Examination Application Process

An applicant should read the application form carefully and complete it fully. In addition to the regular application fee, applicants may be charged a processing fee for submitting incomplete applications. It is the applicant's responsibility to ensure that the application including all required documentation and fees are submitted by the required date. An applicant will be admitted to the exam only with valid picture identification. The EBAA will acknowledge receipt of the candidate's application. If the applicant does not receive confirmation within 1 week of submission, the candidate should contact the EBAA office. Once the application is processed by the EBAA staff, the candidate will receive a confirmation email with additional steps that must be completed immediately that will include submitting additional information on the testing company's website.

If a candidate does not receive notification from Professional Testing Corporation (PTC) two weeks after receiving acknowledgement from the EBAA office, they should contact the EBAA Office to inquire as to the status of their application.

Examination of Candidates with Special Needs

Special testing arrangements will be made for individuals with special needs. Submit the application, examination fee, and attach a written request for special accommodations. Requests for special testing for individuals with special needs must be received at least EIGHT (8) weeks prior to testing date.

Education & Experience

Education & Training:

Note: It is mandatory that an applicant enclose a copy of his/her diploma, degree, transcript, or certificate.

1. My highest level of education achieved is:

- | | |
|--|--|
| <input type="checkbox"/> High School Diploma | <input type="checkbox"/> Bachelor's degree in _____ Year _____ |
| <input type="checkbox"/> 1 or 2 years of college | <input type="checkbox"/> Master's degree in _____ Year _____ |
| <input type="checkbox"/> 2-year college associate degree | <input type="checkbox"/> PhD in _____ Year _____ |
| <input type="checkbox"/> Other: _____ | |

2. I am also a:

- | | |
|---|---|
| <input type="checkbox"/> Medical Doctor | <input type="checkbox"/> Registered Nurse |
| <input type="checkbox"/> Certified Ophthalmic Assistant | <input type="checkbox"/> Certified Ophthalmic Technician/Technologist |
| <input type="checkbox"/> Medical Technician | <input type="checkbox"/> Medical Technologist |
| <input type="checkbox"/> Certified Tissue Bank Specialist | <input type="checkbox"/> Other: _____ |

3. Have you attended the Technician Education Seminar (TES)?

- Yes Year: _____
- No

Employment Experience:

4. As of the date of the exam, I will have _____ months experience as an eye bank technician.

5. I have been employed by the following organization since:

Date: _____
Month Year

Name of Organization: _____

Practical Performance Competency Verification

Part 1: General Information and Instructions

1. This form must be completed by a technician trainer, as well as a physician who meets the requirements of an Eye Bank Medical Director, as outlined in Section C1.200 of the EBAA Medical Standards.
2. Once completed and signed, this form serves as both a written recommendation from a Technician Trainer and Medical Director and a verification of practical performance competency as outlined in **EBAA's *Criteria for Certification of Eye Bank Technicians***—specifically, *Eligibility to Sit for Exam*.
3. This completed form is a requirement to sit for the Certified Eye Bank Technician (CEBT) certification exam and must accompany the technician's exam application.

Part 2: Medical Director and Technician Trainer Observation

Name of CEBT Applicant: _____

Name of Medical Director: _____

Address of Medical Director: _____

City, State, Zip: _____

Telephone: _____ **Email:** _____

Specific Relationship of MD with the Eye Bank: _____

Name of Technician Trainer: _____

Address of Technician Trainer: _____

City, State, Zip: _____

Telephone: _____ **Email:** _____

Specific Role at the Eye Bank: _____

Practical Performance Competency Verification

Select the procedure observed: Laboratory Excision In Situ Excision

Note: Any fields that do not apply to the process performed can be skipped but please mark with "N/A" for not applicable. For example if observing the Laboratory Excision, Step #2 will not require initials but should include "N/A". The references in parentheses refer to related sections of the EBAA Procedures Manual.

A. Aseptic Technique	MD Initials	Trainer Initials
1. The technician was appropriately dressed wearing moisture impermeable clothing with sterile sleeves/sterile impermeable gown, cap, mask and protective eyewear. (E1.110 & E1.221)		
2. Penlight Exam Performed (In Situ Excision Only) (E1.110)		
3. The sterile instruments were appropriately wrapped. (E1.110)		
4. The unwrapping of the sterile instrumentation kit was performed without compromising the sterile instruments or sterile field. (E1.110, E1.130 & E1.221)		
5. Non-sterile items were placed in areas that did not allow the sterile field to be compromised. (E1.110 & E1.221)		
6. The technician successfully demonstrated a 3-5-minute scrub utilizing aseptic technique. (E1.110 & E1.221)		
7. The technician successfully demonstrated proper sterile gloving technique. (E1.110)		
8. The technician applied a sterile drape or sterile towel to the head without compromising the sterile field or reaching over the sterile field. (E1.130) (In Situ Excision Only)		
9. The technician successfully transferred the eye from the eye jar to the sterile field without compromising the sterile field or reaching over the sterile field during the transfer. (E1.221) (Laboratory Excision Only)		

A. Aseptic Technique (Continued)

	MD Initials	Trainer Initials
10. The technician irrigated and/or soaked the whole eye (EI.221) OR decontaminated the cornea and conjunctiva with povidone-iodine solution. (EI.130		
11. All sterile and non-sterile instruments were appropriately placed throughout the entire procedure. The sterile field was never compromised. (EI.130 & EI.221)		
12. The technician used separate instruments for the removal of the conjunctiva and the incision through the sclera. (EI.130 & EI.221)		
13. The corneoscleral disc was carefully and gently transferred to the vial or viewing chamber containing the preservation medium without compromising sterility. (EI.130 & EI.221)		

B. Surgical Technique

	MD Initials	Trainer Initials
1. The technician successfully removed the conjunctiva by carefully scraping the exposed sclera. (EI.130 & EI.221)		
2. The incision through the sclera with the scalpel and/ or trephine did not penetrate or break the choroid. (EI.130 & EI.221)		
3. The scissors were appropriately inserted throughout the entire excision in the suprachoroidal space. (EI.130 & EI.221)		
4. The technician maintained a corneoscleral disc between 2-4 mm from the limbus. (EI.130 & EI.221)		
5. During the excision, no significant vitreous leakage occurred. (EI.130 & EI.221)		
6. The anterior chamber was maintained and not compromised throughout the entire excision. (EI.130 & EI.221)		
7. The ciliary body separation was performed gently by removing the ciliary attachments and not pulling on the corneoscleral disc. (EI.130 & EI.221)		
8. The corneoscleral disc was gently separated from the choroid without excessive twisting or bending of the cornea. (EI.130 & EI.221)		
9. After the procedure, the technician determined the lens status. (EI.130 & EI.221)		
10. The technician followed the established procedure as written in the eye bank's policy and procedure manual. (EI.130 & EI.221)		

Comments by Medical Director

Medical Director's Recommendation

I meet the requirements outlined in item I above and currently serve as Medical Director for the eye bank listed. On _____(date), I observed the above technician performing a corneoscleral disc excision on a human donor eye and have verified, with my initials, that he/she performed competently in each area. Based on my direct observation, I recommend that this technician be allowed to sit for the EBAA CEBT exam. **MD Initials:** _____

Statement of Agreement for Certification of Eye Bank Technicians

I, _____, certify that all information contained in my application for the Eye Bank Association of America (EBAA) certification is true and accurate to the best of my knowledge. In addition, I hereby authorize EBAA, and any authorized agent of the EBAA, including Officers, Directors, Committee Members, and Employees, to review my application to sit for the EBAA certification examination. I authorize EBAA to determine my eligibility for EBAA certification. I agree to revocation or other limitation of my certification if any statement made on this application or hereafter supplied to EBAA is false or inaccurate or if I violate any of the rules or regulations of EBAA. I understand that if I receive EBAA certification, it will be my responsibility to remain in compliance with all EBAA standards for certification, to keep my certification current, and to submit a valid renewal application and fee within thirty (30) days prior to my certification expiration date.

I agree to cooperate promptly and fully in any review of my certification by EBAA, including submitting such documents and information deemed necessary to confirm the information in this application. I authorize the above-designated parties to communicate any and all information in relation to any EBAA application and review thereof including, but not limited to, pendency or outcome of disciplinary proceedings to state and federal authorities, and others.

I understand that I may be refused admission to the examination if I do not have the proper identification (valid picture ID) or if the examination has begun. If I am refused admission for any of these reasons or fail to appear at the test site, I will receive no refund of the application or examination fees and there will be no credit for future examinations. I understand that I may only seek admission to sit for the EBAA examination for the purpose of seeking EBAA certification, and for no other purpose.

I understand that review of the adequacy of examination materials will be limited to computing any scoring correction. If I do anything which is not authorized or which is prohibited by EBAA in connection with any EBAA examination, I understand that my examination performance may be voided, and such activity may be the subject of legal action. In a case where my examination performance is voided, I will receive no refund of the application or examination fees and there will be no credit for any future examination.

I waive all further claims of examination review and agree to indemnify and hold harmless the above-designated parties for any action taken pursuant to the rules and standards of EBAA and authorized agents with regard to this application, the EBAA examination(s), and/or my certification.

By signing, I acknowledge that I have read and understand this information and agree to abide by these terms.

Application Checklist

*Note: Incomplete applications will be charged a processing fee.**

A) Be sure to include the following when submitting an application to take the CEBT Exam:

- Completed Application.
- Certification fee (early bird: \$525 EBAA member/\$1,000 non-member) made payable to the EBAA in U.S. dollars.
- Copies of any licenses, certificates, diplomas, transcripts, or degrees (that verify your education level).
- Statement of Agreement for Certification signed and dated.
- Sponsoring **Executive Director** endorsement and signature.
- Practical Performance Competency Verification completed by **Medical Director**.
- Practical Performance Competency Verification completed by **Technician Trainer**.
- Once receiving the confirmation from EBAA, completing the final required steps for registration on PTC's website
Note: these instructions will be sent once you are registered for the exam.

B) Candidates must bring the following to the exam testing center:

- 1) Picture identification (e.g., driver's license or passport)
- 2) Eligibility Notice from testing center

Each applicant must be registered and checked in by the time specified. No late or unregistered applicants will be admitted. Each applicant will be asked to sign in and show valid photo identification. All rules and regulations applicable during the examination will be reviewed with the candidate(s) by the proctor at the testing center. No food or drinks, notes, paper, pencils, books, dictionaries, computers, or other materials may be brought into the examination room. Paper and pencils will be provided for the candidate. The applicant has 4 hours to complete the exam.

Grading and Reporting of Scores

The electronic exam will be scored by the Professional Testing Corporation (PTC) and the results are forwarded to the EBAA. Scores are strictly confidential and the EBAA will report them only to the applicant unless the applicant approves of notice to others in writing. An email will be sent first to notify the candidates as soon as possible. Executive Directors will be notified at the same time that you have received your scores. Scores (passing or failing) will be mailed to the applicant's designated address. A list of EBAA-certified eye bank technicians (CEBTs) is published periodically by the EBAA.

**EBAA will consider an application incomplete if one or more conditions have not been met in section A.*

Payment Information

To sit for the exam, candidates must submit a completed application with payment. Acceptable payment options include credit card or check. Use the credit card form below to submit payment information or submit your application with a check made payable to Eye Bank Association of America (EBAA) using the address information below.

Deadline for submission is September 2.

FEE NAME	MEMBER EYE BANKS	NON-MEMBER EYE BANKS
