Dear Nominating Committee:

It is a privilege to write this letter of support for Jim Quirk as candidate for Chair-Elect of the EBAA Board of Directors. I have known Jim for nearly two decades as we both established an unwavering dedication to our profession and all those whom we serve.

Leadership plays a critical role for the Association, especially during challenging and turbulent times. While some may be in the not-too-distant past, the Association and members will undoubtedly face more obstacles ahead. I firmly believe Jim is well-equipped to provide the leadership necessary to not only face, but overcome these future headwinds.

Serving on both the Accreditation Board and Governance Review Committee under Jim's leadership, I had the opportunity to witness his abilities firsthand. He demonstrated extensive knowledge, experience, and commitment to the work we do with an inclusive and collaborative spirit. Transforming the governance of the EBAA was no small task. Jim did a fabulous job leading this initiative, resulting in the governance structure the Association benefits from today.

Jim is a consummate professional who would represent the Association well. It is without reservation I recommend him as the next Chair-Elect for the EBAA.

Sincerely,
