EBAA Board of Directors

March 29, 2022

Re: Jim Quirk

Dear EBAA Board and Whom it may concern:

I wanted to offer my strong support for Jim Quirk's Candidacy for the position of EBAA Chair Elect. Jim has served in just about every role in eye banking over his 30+ year career, and I cannot think of anyone more accomplished or deserving for this role.

Jim exemplifies every quality of what a great leader should be. I can personally attest to his wealth of knowledge and his extreme dependability after serving on the accreditation board with him for four years. I can only imagine how he will magnify those leadership qualities as EBAA Chair Elect.

I wholeheartedly believe he will be able to build on the Association's current foundation in order to create an environment of collaboration and support where future eye bankers will flourish. If you have any questions about Jim's qualifications feel free to contact me at any time. His proven track record of leadership, ethics, and communication makes it easy to brag about him.

Kindest personal regards,

W. Barry Lee, MD, FACS
