To Whom it may concern,

I am pleased to be writing a letter of support for my colleague Ellen Kerns for the at-large position on the EBAA Board of Directors.

Ellen has over 30 years of eye banking experience with a skill set that includes recovery, call center, document control, tissue evaluation, donor eligibility, lab maintenance, supply ordering, distribution, hospital development, and client relations. She was very welcoming when our staff visited their eye bank in Alabama to learn more about DMEK. Ellen is knowledgeable and has taught classes at EBAA conferences.

Ellen has proved herself to be hard-working, motivated, ambitious, charismatic, and reliable. Ellen stands out for her kindness, commitment, and initiative, and I'm completely confident she will surpass all expectations that the Board has.

Feel free to contact me for any further information. Thanks very much for your time.

Sincerely,

A handwritten signature in black ink that reads "Geoffrey C. Brown". The signature is fluid and cursive, with a long horizontal line extending from the end.

Geoffrey C. Brown
