To Whom It May Concern:

Please accept this letter as a letter of support for Ms. Ellen Kerns as a candidate for the EBAA Board of Directors. I have known Ellen for many years and consider her a respected peer and excellent candidate for the Board of Directors.

Ellen has been involved in eye banking for 30 years with experience in all areas of our profession. Her skill sets include tissue recovery, tissue evaluation, donor eligibility, distribution, call center, hospital development, and client relations. Additionally, she has been an active participant in EBAA for many years through her service on various committees, including Technician Education, Legislative & Regulatory, and Research. Her knowledge of all aspects of eye banking is excellent. As evidenced through her committee work, she is collaborative in her approach to eye banking.

In summary, Ellen has demonstrated through her service to EBAA over many years that she possesses the skill sets needed in the Association's leadership. She will be an asset to the EBAA Board of Directors, and I recommend her without reservation.

Sincerely,

Donna Drury, MBA, CEBT, CTBS
Director
