Dear Kevin:

It is my pleasure to nominate Dr. Winston Chamberlin to be chair elect for the Eye Bank Association of America Board. I have had the pleasure of working with Dr. Chamberlin in various capacities at the Eye Bank Association of America including on the Board of Directors, Accreditation Board and Medical Advisory Board. I cannot think of anyone more qualified currently to take on this role. He is passionate about eye banking and represents the mission of the organization to its fullest.

I have no doubt he will make significant contributions as chair of the Eye Bank Association of America Board.

Sincerely,

Shahzad I. Mian, M.D.
