RE: Letter of Recommendation for Adam H. Kaufman, MD for Secretary-Treasurer

Dear EBAA Members and Board of Directors,

It is with great pleasure that I recommend my long-time colleague and friend, Dr. Adam H. Kaufman, for the Secretary-Treasurer position on the EBAA board. Adam is a wonderful choice for Secretary-Treasurer! I have worked with Adam extensively over the years, and he is always knowledgeable, thorough, responsible, and is a pleasure to work with in any and all situations. Adam is highly committed to the goals of the EBAA, and he has been a member for over 30 years. For the past 18 years Adam has been an outstanding Medical Director for us and a highly contributing member of our Executive Board. As an Executive Board Member, Adam has played a significant leadership role in the financial aspects of our Eye Bank. Adam has been involved continuously in multiple EBAA committees (including the Accreditation Board, the Scientific Programs Committee, the Position and Policy Sub-Committee of the MAB, and the Finance Committee). As an experienced member of the Finance Committee since 2015, Adam is well prepared to Chair this committee as the Secretary-Treasurer. Adam's strong leadership and interpersonal skills are demonstrated by his 10 years as Residency Program Director and his recent appointment as Interim Chair for the Department of Ophthalmology at the University of Cincinnati.

I highly support Dr. Adam H. Kaufman for the Secretary-Treasurer position. Dr. Kaufman possesses all the experience and skills to help shape the future direction of the Association. Along with his outstanding personal qualities to serve the EBAA on the Board of Directors, his commitment to his colleagues and our profession is unparalleled. I strongly recommend him for the position.

Sincerely,

Tina M. Mays, CEBS  
Executive Director  
Cincinnati Eye Bank
