Nominating Committee  
Eye Bank Association of America  
PO Box 220035  
Chantilly, VA 20151

Dear EBAA Nominating Committee,

It is my privilege to nominate Chris Hanna for the EBAA Board of Directors. Chris has distinguished himself throughout his career in eye banking on the local and national level. I have had the pleasure of getting to know him over these past decades of service. He has been consistently thoughtful, ethical, and hard working.

While Chris has been busy running an eye bank in Utah since the early 2000s, throughout his tenure he remained steadfast in his belief in promotion of the eye banking community with EBAA service. He doesn't just show up. He does the work. I think of him as a change agent with a moral compass that could be of real value to the Association.

I have had many conversations with Chris Hanna about the state of eye banking over the years. He has always been open to innovative ideas while still maintaining a steadfast devotion to the responsibility we owe to the altruism that is essential for eye donation's existence. He is well suited to represent all our interests on the EBAA Board of Directors.

Sincerely,

Chris Stoeger  
Chief Executive Officer
