Dear EBAA members,

I am writing to recommend Jameson Clover for the Eye Bank Association of America (EBAA) Board of Directors as an At-Large member.

I am confident that Jameson's experience in the eye banking industry will add great value to EBAA and its board.

Jameson's dedication to VisionGift and EBAA is exemplary. She has been in eye banking since 2002, serving in a variety of positions, starting as a recovery technician after college. She continued to expand her knowledge with experience in Eligibility, Distribution, and Surgical Services. Jameson's most recent position at VisionGift is senior vice president of surgical services and business intelligence. In addition, her drive to participate in and lead numerous EBAA committees since 2012 shows her dedication and passion for improving the industry. She has also given multiple presentations and webinars, thirteen since 2014. Jameson has contributed to twenty-seven book chapters, scientific publications, abstracts, and posters since 2010.

I am certain EBAA, and its Board of Directors will benefit from Jameson's insight into meeting the changing needs of eye banking. She has an authentic desire to help shape the future of our global community.

Sincerely,

Diane Hollingsworth
President/CEO
