To Whom It May Concern:

Please accept this letter as a letter of support for Ms. Victoria Adler as a candidate for the EBAA Board of Directors. I have known Vickie for many years and consider her a respected peer and excellent candidate for the Board of Directors.

Vickie has been involved in eye banking since 1998 and has experience in all areas of our profession. She has been an active participant in EBAA for many years and has previously service on the Board of Directors two different times. She has served on various committees, including the Medical Advisory Board and Accreditation Board as well as served as the Chair of the Technical Procedures Manual Committee, Certification Board and Exam committee. As evidenced through her committee work, she is a hard worker and collaborative in her approach to eye banking.

In summary, Vickie has demonstrated through her service to EBAA over many years that she possesses the skill sets needed in the Association's leadership. She will be an asset to the EBAA Board of Directors, and I recommend her without reservation.

Sincerely,

Donna Drury, MBA, CEBT  
Director
