Dear EBAA House of Delegates,

It is with great confidence that VisionFirst supports Chris Hanna as a candidate for At-Large Board Member.

Chris is a trusted member of the eye bank community. He has proven his commitment to the industry with his continued involvement in the EBAA. Having worked alongside Chris, I trust his ability to focus on the success of the EBAA even when that may impact his own facility. He is open to new ideas and is looked upon as a leader.

As the EBAA reviews the qualifications for the incoming board members, Chris possess those needed to help the EBAA remain relevant and strong.

Sincerely,

Timothy M. Fischer
President/CEO
