RECOVERY STAFF AVAILABLE

Our Company

Dedicated Donor Call Inc. is your trusted staffing solutions partner serving the Organ, Eye & Tissue Donation Community since 2010. The company is owned by Tracey Knotts RN BSN CPTC she is a transplant professional and living organ Donor. She started Dedicated Donor Call to offer an opportunity for passionate professionals to proudly serve our industry on committed yet flexible terms. In turn, our OPO partners are able to fulfill their staffing needs on the same flexible terms. Our business is built upon our culture of long-term relationship building. As a result, we have the joy of developing a trusted partnership with each organization. Our services are available throughout the United States. Our corporate headquarters are located in Newport Beach, California.

Our Service

Our business model is unique, embracing an 'Agency As Staff' approach we effectively and seamlessly engage with your team working as an extension of your staff. We work in compliance with your organization's process adhering to all protocols, policies and procedures.

Our Approach

We take a 'One-To-One' approach tailoring solutions specific to your needs. Whether you need immediate, long term or short-term staffing assistance...we have the right coordinator for you. Our focus is providing you with consistent staff who are committed to working with your team and integrating into your schedule for as long as you need us.

Our Team

Our network of Donation Professionals is made up of experienced clinicians and practitioners dedicated to providing the highest standard of care. Our multi-disciplinary team includes professionals from all donation, recovery and transplant specialties...all rolled into one strategic staffing partner!
